

Pupils e-safety agreement - February 2017

Keeping me safe at home and at school

I will check with a grown up before using the internet.

I will tell a grown up if something we see makes us feel worried.

If I get stuck or lost on the internet we will ask for help.

I can write polite and friendly messages to people I know.

I will keep my personal information, my name, address, my school, my pictures "Top Secret" and not share it on an app or website.

I will not bring mobile phones or tablets to school.

We understand that your child is too young to give informed consent on his/her own; however, we feel it is good practice to involve them as much as possible in the decision making process, and believe a shared commitment is the most successful way to achieve this.

Parent's Consent

I have read and understood the e-safety agreement and give permission for my son/daughter to access the Internet at school, and will encourage them to abide by these rules. Children will receive advice on e-safety at school, advice for parents is available at www.thinkuknow.org.uk/parents or by contacting the school. I understand that the school will take reasonable precautions to ensure pupils cannot access inappropriate materials.

The school will help children to learn about staying safe online, but recognises that the primary responsibility for online safety at home lies with parents / carers. The school will seek to work with families to help them to encourage children to adopt safe use of the digital technologies at home.

I will follow the school's guidance on taking and sharing images and video at school events.
