

Primary PE & Sport Premium

In March 2013 the government announced that it was to provide additional funding of **£150 million per annum** for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools in England – The **Primary PE & Sport Premium**.

This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to primary school headteachers. The funding is **ring-fenced** and therefore can only be spent on provision of PE and sport in schools.

In the Autumn Statement 2013, the then Chancellor, George Osborne announced an additional year's £150m extended funding, taking the total investment to the end of the 2016 academic year.

On 6th February 2014 the then Prime Minister, David Cameron committed to continue the funding for the Primary PE & Sport Premium until **2020**.

The high level changes are that from September 2017:

- **Schools with 16 or fewer eligible pupils receive £1000 per pupil; and**
- **Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil**

This is a straight doubling of the current formula and will mean that all schools will be able to deliver further improvements to their PE and Sport provision. The mechanism for payment will remain the same, with schools receiving 7/12ths of funding in Oct/Nov and the remaining 5/12ths in April/May.

The DfE will publish the school level breakdown of funding for the academic year 2017 to 2018, including conditions of grant, in October 2017.

Healthy Pupils Capital Programme:

In regards to the Healthy Pupils Capital Programme, as announced by the Secretary of State for Education on 17th July, due to the Department for Education prioritising core school funding, the DfE will now be investing **£100 million** from the Soft Drinks Industry Levy in 2018-19 for healthy pupils capital. The funding will improve school facilities to support a range of healthy pupils activities, including PE and sports, after school activities and healthy eating. The DfE will announce further details on this in due course.

Purpose, Vision, Objective, Accountability and Best Practice

Purpose of funding:

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Vision:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

We would expect indicators of such improvement to include:

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Uses of our PE Premium 2017/2018 - £13,980

	Approximate cost	Expected impact
<p>SLA with Staindrop Academy</p> <ul style="list-style-type: none"> • 1 x hour per week of coaching/teaching at their school per week • 1 x 2-3 hour festival hosted at Staindrop School each half term • 1 x 2-3 hour competition hosted at Staindrop School each half term • 1 x 2-3 hour EYFS festival hosted at Staindrop School each term • 1 x 2 hour CPD session to be delivered at Staindrop School for any Primary School Staff to attend each term • £50.00 – 2 x Indoor competitions at the Alun Armstrong Centre in Shildon 	£2,500	<p>To improve the standard of teaching and learning.</p> <p>To ensure that all children take part in competitions, to improve participation.</p> <p>Improve knowledge of health and fitness.</p>
